Re: Demmick v. Celco Partnership
Civil Action Number 06-2163 (JLL)

Dear Mr. Walsh:

I represent Kimberly Baker, an objecting class member in the above-captioned matter. My client appealed the final approval of the class action settlement in this matter (Docket entries 181, 183, 184 and 185). Her appeal is designated as Appeal No. 15-2328 in the United States Court of Appeals for the Third Circuit.

On September 9, 2015, the Court entered an Order requiring the objectors to jointly and severally post a bond in the amount of \$25,000 (Docket Entry 220). My client opposes the imposition of an appeal bond in any amount over \$2,500 and she is appealing the bond order.

Accordingly, I am hereby respectfully tendering the sum of \$357.14, representing one-seventh of \$2,500 as the portion of the court-imposed bond that is not contested by Kimberly Baker.

A certified check together with the original of this letter is being transmitted to the Court via Federal Express for overnight delivery. A copy of the cashier's check is also attached. Please forward a receipt for the \$357.14 payment to me at the address above.
